

Department : Chemistry (Day Stream)

Name of the Association : Chem Utsav '18

Write-up / Report :

The Department of Chemistry (Day Stream) inaugurated the CHEMUTSAV '18 on 28.08.2018 by conducting the various inter-departmental activities. The association of our department conducted CHEM TALK to bring out the knowledge of students in chemistry. Adulteration, Air pollution, Plastics and Chemistry in Everyday Life were chosen as topics and given on spot. The students explored their knowledge on these topics. CHEM QUIZ was conducted for the students to pop their acquaintance in chemistry. The competition was focussed for connective intelligence of the students. It is a fun game where the students correlated the clue pictures with the answers. It invoked the familiarity in chemistry. The winners were honoured.

S. No	Date	Name of the Event	I Prize Name /Class	II Prize Name /Class	Name of the Judges
1.	28.08.2018	Chem Talk	R. Aparna I B.Sc. Physics	Vedam Thanvi Sree Nithya III B.Sc. Physics	Dr. Mrs. P. Beena, Assistant Professor, Department of English
2.	28.08.2018	Chem Quiz	D. Pavithra, S. Gayathri II B.Sc. Statistics	Vedam Thanvi Sree Nithya, K. Sowmya III B.Sc. Physics	Dr. Mrs. P. Koteeswari, Assistant Professor, Department of Physics
3.	28.08.2018	Connexions	A. Vijayalakshmi, HemaSuriya I B.Sc. Physics	S. Nithyasree M. V. Naganandhini III B.Sc. PBPBT	Dr. C. B. Nirmala, Assistant Professor, Department of Plant Biology and Plant Biotechnology

INDUSTRIAL VISIT (HINDUSTAN COCA COLA BEVERAGES PVT LTD)

Industrial visits offer a great source to gain practical knowledge. It is considered as a part of college curriculum and objectives of industrial visit is to provide students an insight regarding internal working of companies. Students can observe and learn as to how theoretical concepts are put to into action, thereby aiding their practical learning. Students are exposed to real working environment and shown how things are done in an organisation. Thereafter, an industrial visit was organised for final year undergraduate students on 12th March 2019 to visit **HINDUSTAN COCA COLA BEVERAGES PVT LTD** in Vellavedu, Chennai. Chemistry plays an important role in most industrial processes. It provided students an opportunity to learn practically through interaction, working methods and employment practices. Visiting a company gives them a practical perspective on the world of work.

2018-2019

Department of Chemistry conducted one-day workshop - hands-on training on Entrepreneurship Development Programme in Chemistry on 16th October 2018 by Prof. N. Elangovan, Assistant Professor, Department of Chemistry, A.M. Jain College, Meenambakkam, Chennai, Science academy of India, R&D Lab Consultant, JAM coaching. The students of Chemistry, Physics and PBPBT participated in the event. Students were trained to prepare Soaps, Detergents and Floor cleaners from natural and artificial ingredients.
