B.Sc COMPUTER SCIENCE (Self Support)
ASSOCIATION REPORT (2019- 2020)

Inter-departmental Competitions

The empowering inter-departmental event was conducted by the Department of Computer Science & Computer Application on 13th September 2019 to identify and glorify talents and promote a sense of sisterhood among the students of various departments. Students from every department voraciously participated in **TECH SAVY, TECHNOPHILIA, WARTECH, NETSKY** displaying their knowledge on today's technology and proving their capacity for creativity. The combined efforts of the organizers, participants and judges made the event a spectacular success.

Online Quiz

Online quiz "**Lock'N' –Code 2020**" organized by BCA and B.Sc Computer Science Department which was held on 26/05/2020 to 30/05/2020 using online mode "Google Forms" to conduct the programme.
