6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

> **VISION**
>
> To evolve into a College with Potential for Excellence
>
> **MISSION**
>
> To provide "Quality Education, Self Reliance, Sustenance, Self Confidence, Leadership Qualities and Employability Skills" to our students

6.2 Does the Institution has a management Information System

> College has an effective computer based MIS which functions under the Department of Electronic Student Relationship Management (ESRM). It provides tools to organise, evaluate and efficiently manage all the departments with respect to students admission, attendance, mark register, staff-student interactions, departmental activities, circulars and notices to the departments. The above data are processed and presented to the Principal of the College for evaluation. After evaluation, report is documented by the IQAC and it is presented in the Board of Management (BOM) for scrutiny. Management Control System (MCS) which exists in the College, takes efforts to set the performance standards. Thus every activity of the College is monitored by the teachers, council members, IQAC members, Principal and the Board of management members.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

> - Courses tailored to meet the desired student learning outcome
> - Courses designed to current and relevant needs of the students
> - Choice based credit system for both UG & PG
> - Continuous Curriculum up-gradation by constituting Board of Studies meeting & Academic Council once every academic year
> - Compulsory Internship & Project work for PG students
> - Soft Skills as part of curriculum for all students
> - Wide range of non-major electives offered to all students

6.3.2 Teaching and Learning

> Teaching tools and Technologies adopted to make learning effective and more engaging using
> - ICT based teaching & learning is emphasised
> - Application & employability oriented learning is given due importance
> - Computer Oriented papers offered in all courses
> - Skill based certificate courses offered

6.3.3 Examination and Evaluation

The following Examination Reforms have been carried out during the current period

- Online Certificate and Diploma verification Implemented
- Computerisation of Examiner Database and generation of corresponding reports
- Intimation about Central Valuation to Examiners through SMS

Existing Practices:

- Online entry of Internal Marks
- Online examination for assessing Value Education, Soft Skill & Environmental Science
- Several reforms have been carried out in the internal assessment component
  - Evaluation of charts/posters
  - Evaluation of projects
  - Group discussion on current issues
  - Case study to promote skill application
  - On line quiz
  - Question bank for practical examination
  - External and Internal Squad
  - Quick publication of results enabling the students to procure admission for higher studies abroad.
- Question paper setting for final examinations is External only

Assessment Strategies are aligned to the desired student learning outcomes

- Evaluation : Completely external for UG and One External and One Internal (Double valuation) for PG and M.Phil Courses
- Proportional weightage of continuous internal assessment and final examination
- Scrutiny board for Question Papers by external Subject Experts
- Random checking for Corrected Answer Scripts by the Scrutiny Committee

- Building Committee & Finance Committee took care of planning and monitoring the construction/renovation/installation activities

- Indigenous software was developed by the Department of Electronic Student Relationship Management (ESRM) for online submission of application forms
- Department of Commerce took initiative to bring about the MOU with ICWA for securing recognition as CMA support centre
- Continuation of Bridge course in English, Value Education, Orientation Programme for the New Entrants, Free coaching for competitive examinations

7.3 Give two Best Practices of the institution *(please see the format in the NAAC Self-study Manuals)*

<div>

Best Practice - I

Title: Mentoring of Students

Goal:

In an educational institution the prime stakeholders are undoubtedly the student community. It is essential to mould this human resource for the betterment of their future. A sound and healthy mind is the prerequisite for acquiring knowledge and resorting to knowledge management effectively. In this context there is a profound need to mentor the students and we quip them to face the various hurdles of life and exude self confidence in their future endeavours.

The Context:

The institution has an influx of students belonging to different strata of society and more so the first generation learners. The task of mentoring these students to undergo a hassle free tenure in the College with due focus on acquiring quality education and employability skills along with imbibing moral and ethical values is of a challenging nature. The strategies suitable for mentoring them have been thoughtfully devised to cater to the needs of individual students irrespective of their nature of background.

The Practice:

In this institution mentoring of students belonging to all disciplines has been carried out systematically and periodically. Potential candidates with due skill and knowledge, who have an inclination to progress are fine tuned through mentoring. Individual attention is being provided on a case to case basis, inculcating clarity in thoughts needed to shape their future in connivance with their aims and passion.

An interactive session by eminent Psychologists and Psychiatrists with a majority of students, dwelling upon stress management was carried out. The focus was on identifying nature of stress a student may undergo and the necessity to seek advice and counselling at the right juncture and the ways to handle stress was discussed threadbare.

Evidence of Success:

The usefulness of this interactive session could be prominently seen with the willing participation and level of involvement by the student fraternity. Several problems and obstacles faced by them were discussed and the solutions to such problems were provided on a case to case

</div>

basis instilling confidence in their minds to confront such problems and overcome them successfully, thereby focusing on their studies and their future goals.

Problems Encountered and resources required:

- The process of mentoring in its initial stages did have its hiccups with a sceptical approach on the part of the students to spell out their problems. It was indeed a herculean task to convince them to open up their minds and assure them about the effectiveness of mentoring. Gradually this process gained momentum and the benefits of mentoring was realised and recognized to the fullest extent.
- Many more such interactive sessions dealing with student centric approaches necessitates the services of psychologists and other related experts, which in turn poses additional financial strain.

Best Practice - II

Title: **Effectiveness of Placement Practices and Training**

Goal:

- To uphold the vision and Mission of the institution in providing Self reliance , Sustenance and Employability skills to the main stakeholders viz. Student Community
- To conduct Training Programs so as to ensure effective enhancement of placement records by achieving 100% placement
- To provide focused training programs by inviting experts in different areas like Personality Development, communication, Group Discussion, etc. to face campus drive of any Multinational Company
- To provide exposure to corporate climate.
- To Facilitate interactions between college and corporate through MOU's

The Context:

The College caters to students predominantly coming from South Chennai who belong to socially and economically weaker sections of the society. Hence a vast majority of the students look at education as a viable source for seeking good employment. Further there is a lack of exposure in soft skills and communication skills amongst these students, which necessitates a focused training program in order to ensure guaranteed placement.

The Practice:

Phase1- (June to September)
- Selection of placement committee
- Creation of team
- Update website with placement information
- Visiting card/brochure update/feedback form/Registration/Industry form
- Industrial visits by placement officer and students if applicable
- Organizing training and certification courses for students
- Creating awareness among the students regarding opportunities available in the industry.

- Conducting Mock interviews, group discussions, case studies, aptitude tests, etc.
- Students Data gathering
- Categorizing students dept level data for different requirements.

Phase 2 (Oct-Jan)
- Industrial visits
- Schedule campus visits
- Categorizing students dept level data for different requirements
- Reporting to management on placement record
- Helping departments to organize guest lectures, seminars etc on requirement basis.

Phase 3(Feb-May)
- Offer Collection
- Results reporting to management
- Boarding follow-up with companies
- Helping students on joining formalities

Evidence of Success:

The meticulous planning and structuring of the placement procedure in the institution has reaped rich benefits during this academic year and it has resulted in hundred percent placement.

Problems Encountered and resources required:

- Shortage of Infrastructural facilities for organizing placements throughout the year (for conducting in-house campus as well as pooled drives)
- Shortage of manpower for better coordination and attendance tracking.

7.4 Contribution to environmental awareness / protection

- A well maintained garden with Japanese method of rain water harvesting which maintains the ground water table.
- Lectures on "Importance of pollution free environment" were organised by the Environ Club
- Collaborative work with NGO "NIZHAL" on Environmental issues
- Swachh Bharath – special cleanliness camp by NSS
- NCC --- **See Annexure III**

7.5 Whether environmental audit was conducted?   Yes ☑ No ☐

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths:

- ❖   Involvement of every faculty in their designated expert committees for implementing the action plan of the institution thereby strengthening IQAC
- ❖   Excellent Team Work among teaching & non teaching staff
- ❖   Full support from the Management
- ❖   Alumni Support to needy students

- ❖ Commendable Placement record
- ❖ Networking and collaboration with reputed institutions & universities in the form of MOU.

Weakness:
- ❖ Remaining four Departments to be upgraded to Research Departments.
- ❖ To increase the number of Major Research Projects
- ❖ Exchange Programme with other Universities both at National and International level.

Opportunities:
- ❖ Efforts to be taken for Exchange Program of students with both national and international Universities
- ❖ Motivate teaching staff to apply for Research Projects (both Minor & Major)

Challenges:
- ❖ To Obtain STAR status for Science departments from DBT
- ❖ Teaching and non teaching vacancies to be filled.

8. Plans of Institution for next year

- Preparation & Submission of NAAC Self Study Report and Applying for Letter of Intent for Reassessment in 2016
- To upgrade the Departments of English, Economics and Mathematics as Research departments.
- To Organise a workshop on " Library Process"
- To organise a seminar on "Examination Reforms"
- To Organise Seminar/Workshop/Conference in some Disciplines – History, Physics, PBPB, Computer Science, Human Resource Management & Statistics
- To apply for DBT STAR scheme for mathematical sciences by Departments of Mathematics, Statistics and Computer Science to UGC, New Delhi
- Construction of the building for Computer Science Courses to be completed
- Construction of second floor in Hostel building
- 4 track and 6 track outdoor sports facilities and construction of Gymnasium to be under taken
- To implement Prime Minister's Swachh Bharath Abhiyaan by inculcating cleanliness values among students.
- Online mode of fee collection for end semester examination
