## **New Education Policy 2020**

The NSS Units of S.D.N.B. Vaishnav College for Women conducted a webinar on “New Education Policy 2020 - An Overview” on 18.09.2020. The Webinar was aimed to impart knowledge on New Education Policy. The webinar was presided over by Dr.C.Annal Deva Priya Darshini Assistant Professor, Department of Mathematics, Madras Christian College.

During webinar, Guest explained in detail all important changes that are incorporated in New Educational Policy. She stated that “New Education Policy 2020 envisions an India-centric education system that contributes directly to transforming our nation sustainably into an equitable and vibrant knowledge society by providing high-quality education to all.”

She gave a comprehensive outlook on policy for higher education as well as vocational training planned for both rural and urban India. These policies are governed by a Higher Education Council of India (HECI).

She also elaborated options that are available for higher education system as per the new educational Policy:

A certificate after completing 1 year of study/A diploma after completing 2 years of study/A Bachelor's degree after completion of a 3-year program/A 4-year multidisciplinary Bachelor's degree (the preferred option). She explained benefits of such options to various student categories.

Apart from this, she explained on teacher recruitment process, curriculum and framework. The National Council for Teacher Education will frame a National Curriculum Framework for Teacher Education by 2021 and a National Professional Standards for Teachers by 2022.

## National Education Policy 2020 - vision

*In every epoch of humankind, knowledge represents the sum of what is created by all previous generations, to which the present generation adds its own.*

*The motif of the Mobius strip symbolizes the perpetual, developing and live nature of knowledge - that which has no beginning and that which has no end.*

*This Policy envisages creation, transmission, use and dissemination of knowledge as a part of this continuum.*

Mrs. Annal Deva Priyadarshini (MCC) is presenting

### Taking forward the agenda of previous education policies

- NPE 1986/92 just before Internet revolution which it did not foresee
- Young learners today are born and raised in technology - rich environment
- Young people will use technologies not invented so far and enter into jobs that don't exist at present
- Globalisation and demands of a knowledge economy – need for acquisition of new skills on a regular basis
- Narrow time lag between generation of new knowledge and its application – learning to learn
