**Dr.A.P.J.Abdul Kalam Death Remembrance Day**

Commemorating fifth death anniversary of People's President Dr.A.P.J. Abdul Kalam on 27<sup>th</sup> July 2020, Energy Conservation Team of our NSS units of S.D.N.B.Vaishnav College, created a video explaining life history of Dr. A.P.J. Abdul Kalam, and his vision .

In this video, speaker clearly narrated **Kalam's** action plan to develop India into a strong nation by year **2020**. He regarded our country as a knowledge superpower and stated that it should be dream of all citizens to look towards India as a developed country. As per him, "A **dream** is not that which you see while sleeping, it is something that does not let you sleep".

In this Video speaker also narrated full life history of Dr. A.P.J.Abdul kalam which includes his early school life, college life, how he worked hard a young scientist in ISRO, hardships he faced during early days of development of rocket technology. She also narrated how he was instrumental as being Missile Man of India.

She also narrated how he was unanimously elected as President of India. Even during his term as President of India, he led a simple life and did not use his power to get any advantage for himself or for his relatives.

After his term as President of India, he spent most of his time with young students advising them to pursue their dream and make India a developed Nation. He travelled to all parts of country to spread his message.The video was circulated to whatsapp groups all friends, family and relatives.
