The theme of this competition is “GARBAGE FREE INDIA”. They expressed their talents actively. Paintings portrayed problems caused by garbage spoiling the environment, importance of cleanliness , responsibility needed by every person to take care of environment. Top three Participants were provided with certificates.

4. Door- to- Door campaign and survey on ODF in villages - 14th August 2020

ODF-Sustainability (ODF-S) essentially means that no visible faeces in the open, which is critically dependent on sustaining behaviour change. This can be achieved by ensuring social, institutional, financial and technological sustainability of 'No Open Defecation' behaviour.

ODF Plus interventions provide an opportunity to ensure ODF sustainability by engaging with the rural communities in the post ODF period.

Our NSS volunteers conducted door to door campaign and survey regarding ODF in various villages like Veeraragavapuram in Thiruvallur, Olaiyur in Virudhachallam, Mudhukarai in Chengalpet and Rettanai in Villupuram. Due to Covid-19 lockdown, our volunteers collected details in their villages. The database is attached and the villagers feel proud that their villages are ODF. The link attached below corresponds to a villager talking about his village being ODF
