2. Tree Plantation

On this great day (24.9.2021), our NSS volunteers planted **Rudraksha Tree**(Tree Sapling No: 2887) in our college campus for which our Principal Dr.R.Geetha was the Chief Guest. Rudraksha tree was formed by the teardrops of Lord Shiva and has great healing and scientific properties. The seeds, berries, bark, leaves, and even ash are used to treat inflammatory diseases, measles, dermal problems and skin rashes, mumps, measles, schizophrenia and cancer. Rudraksha strengthens our minds to fight all odds in life. We are very happy to plant such a healing tree on our campus.
