

The effective leadership is reflected in various institutional practices such as decentralization and participative management

Research and Development Centre

To promote a healthy atmosphere in research with prime focus on sustainable goals, the centre caters to the need of young researchers who are passionate to give back to the society through their ideations. The centre encourages and collaborates with other leading institutions to conduct scientific and theoretical research with societal impact factor. It promotes interdisciplinary, multidisciplinary and transdisciplinary research among staff and students by providing institutional-research seed money.

Go GLOCAL

Our college believes in the power of learning by combining practical and theory knowledge to enhance the talents from local to global outlook without compromising on the Indian value system. Our EDP, IIC etc., erect a platform for students to understand the nuances of local characteristics with global perspectives.

Foreign University Collaborations

Our institution has a Memorandum of Understanding with Tshwane University of Technology, South Africa and planning to collaborate with many other universities. 75% of the students are first generation learners with great dreams and goals. Such initiative of collaborating with foreign universities will instil a ray of confidence in the young minds to scale greater heights by understanding the global educational outlook.

Digital Library

Digital library has a state of art facility with latest books and journals. This sprawling library has good ambiance for students to read books and ebooks. INFLIBNET provides a consortium of books, journals and thesis. Augmented library resources in the form of separate information resource centre installed with D space (intranet). The Fully computerized Library facility with other facilities such as Reprography, OPAC and CD is available. The college library houses huge collections of books, e-journal, magazines, journals, student's projects and theses.

The effective leadership

The Deans plan with the Principal and Vice Principals and allocate responsibilities to the Head of the Departments. All Academic and Administrative activities are monitored and planned in consultation with the IQAC team.

The Controller of Examination takes care of the conduction of exams and other works related to it . The Dean of Research manages all research related activities like research publication, organizing and attending conferences, admission to PhD programmes, arranging Doctoral meetings, conducting Public Viva etc.

Dean of Arts and Languages, Dean of Mathematical Sciences, Dean of Basic Sciences, Dean of Commerce - plan and manage faculty projects from UGC, SERB, DST etc. They also plan collaborations with industries and execute MoUs and Linkages.

Dean of Students Affairs regulates student programmes and other student council activities. Dean of Resident Students manages hostel facilities, hospitality and medical care for resident students.

The Placement Dean of Training and Placement- The full fledged Placement cell monitors the employment opportunities and arranges placement opportunities for final year students. The Dean of Training and Placement arranges on-campus interviews, off- campus interviews.

The Staff club takes up discussions and issues related to staff members' need & welfare.

The Coordinators of Environ Club, Quiz Club, Consumer Club, Theatre Club, Debate Club, Fine Arts Club and Rotaract Club conduct various activities which involve student coordinators, class representatives and association secretaries for the effective execution.

The college functions very effectively with the active participation and enthusiastic involvement of Management, Retired Principal, Retired Professors, Student Alumna, Staff members, Administrative Staff and Students in planning and decision making.
