**NSS Flood Relief Drive - November 2021**

The NSS units of SDNB Vaishnav College for Women engaged in a flood relief activity on 12<sup>th</sup> November 2021. Normal life was affected and several areas inundated as heavy rain lashed Chennai and other parts of Tamil Nadu. The heavy downpour has affected vehicular and air traffic and also train movement. People were stranded in their houses with no food supplies or electricity. The severe water-logging prevented people from getting out of their houses.

Many of our volunteers went into the flooded areas to provide help to the needy people. They even went to areas where drainage water and rain water were flowing together to save the people and distributed food packets and water bottles to them.

Nearly 30 of our NSS volunteers took part in this Flood Relief activity and nearly 150 general public were benefited.
