DAY 4

On day 4, 27th February 2022 NSS Programme Officers and volunteers visited a village of gypsies near Nemilicherry. On the arrival, Dr.V.G.Shanthi explained the plight of the village to the volunteers. This village consists of ten families of sanitary workers. They are very downtrodden people without basic amenities and proper sanitation. Their children are deprived of education. NSS volunteers whole-heartedly donated provisions and clothing, which were distributed to ten needy families in the village. With immense gratitude, the villagers happily accepted the offerings. NSS volunteers felt blessed and delighted to serve the needy.
