WORLD POPULATION DAY 2021

The NSS Units of S.D.N.B. Vaishnav College for Women celebrated World Population Day on 11th July 2021. This year, the theme of World Population Day 2021 is 'The impact of Covid-19 pandemic on fertility'. It is observed every year on 11th July to remind people of the challenges being faced due to over population. The day is marked to call for attention to issues like the importance of family planning, child marriage, gender equality, human rights, and others. The World Population Day was commemorated and recognized by the United Nations General Assembly in December 1990.

On this special day, the world comes together with the goal of highlighting the difficulties created by overpopulation. It also raises awareness about how overpopulation may harm the ecosystem and the progress or growth of humanity.

On this day our NSS volunteers participated in Painting Competition regarding the control of population. Nearly 20 volunteers took part in the painting competition and were recognized with e certificates.
