Description:

This project is a community service initiative. We distributed full day meals for the people who were severely affected by the flood .We distributed breakfast, lunch and dinner for two days which was very need for that day. The reason for conducting this project is to donate food for the people who were severely

affected by the flood. Though rich or poor, hungry is common to all . So, we have searched for the place which was affected by the flood and gave two days full meals to them.

Description - On the occasion of the auspicious day( Jan 13) we together celebrated Pongal with our club members. We together wore traditional outfits, we started to prepare the sweet pongal to sweeten the day even more. We planned to put Kolam and colour it in perfection. We then kept the sugarcane in triangle above the pot to essence the vibe. Later, we kept the brick and started to set on fire. We placed the pot above the fire and started to make sweet pongal.

Then comes the next set of delicious recipe. All the board members decided to go to the near by shop and brought ingredients for Vegetable biryani. We started to cut the vegetables and chopped them evenly. We cooked for a while and kept on chatting with laughter. While the rice was completely cooked and the aroma flew through everyone's nose. We together roasted the flavour of our favourite food and had a good time with our board members.
