

Event Report

World Diabetes Day

Every year on November 14, World Diabetes Day is commemorated, which is an opportunity to raise awareness about the impact of diabetes on the health of people. It also seeks to highlight the opportunities to strengthen the prevention, diagnosis, and treatment of diabetes. On account of *World Diabetes Day* 2022, Students' Union 2022-23 conducts an Awareness campaign on the theme "Access to Diabetes Education". As an initiative for creating awareness among the students about the ill-effects of diabetes, the SDNB VAISHNAV COLLEGE organized an "E-POSTER" making competition which was overlooked by the Students Union of the college. Students were expected to prepare e-poster creating awareness and educating about diabetes.

Students showed great enthusiasm in participating in the competition. More than 50 e-poster submissions were collected from both Undergraduate and Postgraduate students of all departments.

The E-poster event was judged by MRS.M.ARUNA, Assistant Professor, department of Clinical Nutrition and Dietetics and DR A.K.RATNA KUMARI, Assistant Professor and Head of Department of PG Plant Biology and Bio Technology.

The E-poster submissions were fairly judged and prize winners were announced.

SANDHYA S of M.SC. FSND secured the first prize, followed by DIVYABHARATHI M of M.A. ENG and N. AJMUL REEMA of M.SC. FSND securing the second and third prizes. The winners were awarded with trophies and certificates.
