

## U AND I PROGRAM REPORT

The U AND I program was conducted by the program volunteers in SDNBVC Premises in:

Seminar Hall – 2, golden jubilee block between 11:00 a.m. – 3:00 p.m. on 22/09/22.

U&I is a volunteer driven charity that is committed to partnering with corporate and social organisations, to work towards positive social change in the spheres of education, anti-trafficking, women welfare, and mental health. In times of social distancing, extended lockdowns and people working remotely, U&I has leveraged technology to build team engagement through virtual volunteering.

## U AND I PROGRAM REPORT

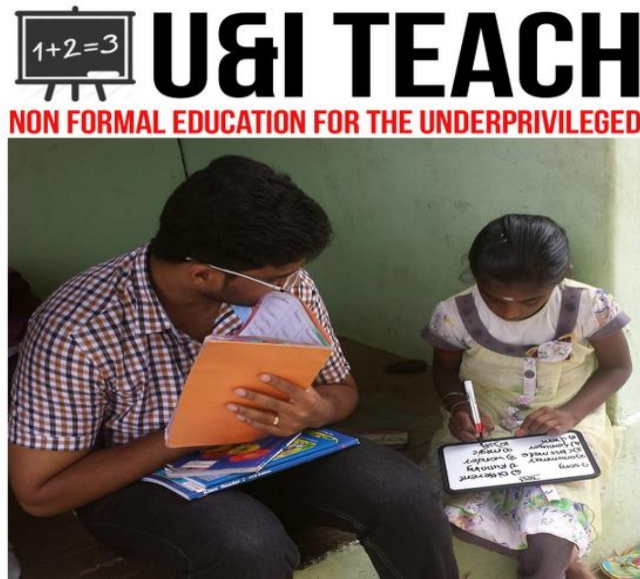

It was an interactive session where students were encouraged to participate in various brain boosting games through ppt's and varied presentations.

The fruitfulness of this organisations motive was conveyed perfectly through narration of stories and video presentation in a joyful manner.

## U AND I PROGRAM REPORT

Followed by, the students were made known of the conditions faced by uneducated and downthrown people who had no proper accessibilities for pursuing even primary education. The volunteers even explained the seriousness of this with statistical representations and tools.

Finally, the recruitment process was explained in detail and interview sessions were held at end of the of the session.
