

Event Report

Diwali 2022 celebration

Diwali is a festival of lights & symbolizes the spiritual “victory of light over darkness, good over evil, and knowledge over ignorance. The name ‘Deepavali’ literally means an ‘array of lights’. To make the students understand the importance of Diwali, the Students Union of SDNB VAISHNAV COLLEGE organized a celebration in the college campus on October 21, 2022 with much vigor and enthusiasm. The events took place before the Krishna statue inside the college campus during the break hours of both shift-1 (9:50 AM) and Shift-2 (2:40 PM). The Student union vice President Shift-1 Isha Roze.A began the event with a warm welcoming and Ramya from MSC.CHEMISTRY performed a divine classical welcome dance giving the celebrations a good start.

Then the dancers of BCOM A&F spiced up the event with a graceful diwali folk dance. Not only the UG departments, the PG students of MA ENGLISH department also gave a ecstatic dance performance. With a creative idea of enacting the story behind the festival of Diwali to the current youth generation, the Department of BCOM GENERAL for Shift-1 and BCOM BIM for Shift-2 portrayed and presented a perfectly scripted play to the students with Amazing costumes for their respective characters. The students performed brilliantly with great acting and dialogues that gave goosebumps to the entire audience. For Shift-1 the Diwali celebration ended with a energetic dance performance by BCOM CS Department students.

The event was held separately for the Shift-2 students at 2:40 PM, at the same spot near the Krishna statue and the celebrations reveled as it happened for Shift-1 students as the department students of BCOM A&F, BCOM GENERAL, MSC CHEMISTRY, BCOM BIM all bolstered the culturals with their exceptional dance performances and plays. The event was a great success with lots of Diwali vibes and festivities.

Shrimathi Devkunvar Nanalal Bhatt Vaishnav College For Women (Autonomous)

Affiliated to University of Madras - Re-Accredited with 'A+' Grade by NAAC
