| <b>REPORT</b>        | <p>PG Department of Social Work in Collaboration with ICDS and Outreach Club of SDNBVC organised Outreach Program on Anaemia Free India observing National Nutrition Week. The students of 2<sup>nd</sup> year MSW were immensely involved in participating in the Street play and Muppet in the motive of creating awareness to the public on Anemia. This was held in Signal junction (in front of Saravana Stores). This program was organized to celebrate the national nutrition week with the year's theme on ANEMIA. The street play was vibrantly started off with the jingles to grab the attention of the public. Also the Muppetry with the dolls were very attractive to the public. They gradually gave awareness on the symptoms of anemia, food that should be taken and not to be taken to prevent</p>      |
