Legacy of 40 years of providing tertiary education

School of Business, MIT-WPU

MIT-WPU has established itself as one of the renowned institution with a remarkable history of providing tertiary education. It offers top class and innovative BBA programmes that are at the forefront of higher learning. With a legacy spanning 40 years, the university has consistently been imparting knowledge and shaping young minds through value-based education embedded with the component of peace studies.

Designed by acclaimed experts, academicians, and industry professionals, these programmes aim to foster strategic thinking, critical thinking, logical thinking, leadership, team building, and inspire entrepreneurial drive among students. The Faculty of Business and Leadership at MIT-WPU offers a comprehensive range of BBA programmes having a 4th year exit option with

an Honours Degree in International Business, Digital Marketing, Global Marketing and Event Management, Global e-Business, Banking Finance and Insurance, Entrepreneurship and Family Business Management, Business Analytics, Global Business & Management,

Branding and Advertising, HR Management, and a 5-year programme in Integrated Business Management.

To provide international exposure to the students, these programmes adopt a case-based teaching-learning approach to ensure that students apply the theoretical knowledge to solve the business problems of tomorrow. Furthermore, industry visits, rural, national, and international immersion programmes, summer internships, skill development courses, personality enhancement courses, and live projects make the students ready to embrace their professional journey. The Faculty of Business and Leadership at MIT-WPU has partnered with top international universities and B-Schools including Deakin University in Australia, Virginia Commonwealth University and Lamar University in USA, Teesside University in the UK, IMT Mines Albi in France, Vrije Universiteit in the Netherlands, Macquarie University in Australia, and University of Aberdeen in Germany which allow students to participate in student and faculty exchange programmes, summer and winter programmes, research associations, extra credit programmes, and other activities.

With emphasis on fostering enterprise leadership among its students, MIT-WPU houses a fully equipped Technology Business Incubator (TBI), supported by the Department of Science and Technology (DST), Government of India to nurture and support early-stage and experienced entrepreneurs and students through technical and business mentoring, legal, IP, fundraising support, and networking with the university's alumni and industry leaders. The university's dedicated Training and Placement Cell provides an all-encompassing basket of career support and training services and invites reputable firms and industrial establishments to enable student placements. Till date, the students of BBA at MIT-WPU have secured jobs with multiple global companies including Wipro, Amdocs, and many more. The highest package offered to BBA graduates at MIT-WPU is 11.75 lakhs lakhs per annum.

Epitome Of Excellence

Nurturing global business leaders and influencers of tomorrow

Presidency College (Autonomous), Bengaluru, is part of Presidency Group of Institutions (PGI) which has over four decades of experience in the field of education. As one of the premier institute in the country, the college has come a long way since its inception in the year 2000. The University Grants Commissions (UGC) of India conferred 'Autonomy' status to Presidency College

in the year 2020. As one of the top autonomous institution, the college has adopted a great curriculum which is on par with the current trends, and has followed a pragmatic approach with appropriate strategies to implement the National Education Policy 2020 in its true spirit.

Innovative pedagogy, hybrid learning and industry interface through guest lectures, industry visits, value-added pro-

grammes, workshops, certificate courses, club activities, sports and other extra and co-curricular activities leads to meaningful student engagement. The institute has been offering valuable placement support to graduating students. The testimony of the institution's expertise lies in the thousands of alumni who have reached great heights professionally and beyond.

The Department of Commerce and

Management is a thriving community of faculty and students. It supports the development of students' global competencies through good quality instruction, innovative research and on-going development. The department offers a supportive environment for the development of commerce and management professionals with a high level of knowledge and expertise, who can make a significant, dependable contribution to society. The department provides a good environment to the students in addition to ensuring a continuous process of interaction with corporates and industry leaders through workshops, seminars, lectures and other extracurricular events. It offers a plethora of innovatively designed programs whose curricula are constantly updated to meet the changing requirements of the industry and also meet the needs of industry.

The Commerce & Management Department is focused on transforming young aspiring minds into tomorrow's managerial professionals all geared to take on challenges of the corporate world. One of the best practices is "Moulding & Transforming" - which involves nurturing the potential of students, guiding and empowering them to carve a niche for themselves. This is to facilitate self-

Curators of Presidency

growth and bring in a realisation of self-worth through empowerment and competence building.

Presidency College strives to balance intellectual as well as physical pursuits. The institution has always given equal importance to academics and co-curricular endeavours. The students are given opportunities to both organise and participate in various cultural, sports and academic events. The college has a thriving arts club, which is a one stop solution for all the needs of the artistically inclined. The college is home to an active theatre club as well. Presidency College hosts various inter-collegiate departmental events like IT fest, humanities fest, management fest and hosts intra-college cultural events. The college has centralised and department-specific clubs and committees like Eco-Club, Human Rights Club, Rotaract, NSS, NCC and Gender

Sensitivity Club to name a few. They conduct socially responsible activities to instil in students a sense of compassion, charity and philanthropy.

Presidency College believes that a healthy body leads to a sharp mind and has introduced a thriving sports course. The college supports and encourages sports students with scholarships to pursue academics and provides them with opportunities to pursue their sporting interests.

Presidency College will always strive to march forward to contribute to the holistic development of students and in turn mould them into responsible citizens.
