

Shrimathi Devkunvar Nanalal Bhatt Vaishnav College For Women (Autonomous)
Affiliated to University of Madras - Re-Accredited with 'A+' Grade by NAAC

SUMMARY OF IQAC REPORT 2021-22

The foundation of the IQAC has prompted the creation of new Cells like the Research Cell and the Institution Innovation Council (IIC). The IQAC has also started to create and use quality standards for the institution's academic and administrative operations. As a result, all departments conduct and complete their tasks in accordance with institutional policies. The number of research papers increased as a result of the Research cell, which was overseen by IQAC. Trainings, Add-on Programmes, and Certification Programmes are valuable additions to programmes for teacher and student development. The IQAC has also introduced improved initiatives for creating a learning environment that is focused on faculty development and high-quality instruction. With a focus on interactive teaching and learning processes, technology use expanded. The development of a RO plant and the digitalization of the college library were the results of measures taken to improve the institution's infrastructure. The institution is constantly and consistently making steps to turn its weaknesses into strengths, in accordance with the IQAC.

Through need-based training initiatives, the College supports and encourages the capacity growth of its faculty. Professional Development Programmes, Orientation/Induction Programmes, Refresher Courses, and Short-Term Courses are required to be taken. As a quality enhancement and sustenance measure prescribed by the NAAC, the college established the Internal Quality Assurance Cell (IQAC) of the college in 2003. Right from the inception, IQAC has been an integral part in developing a system for conscious, consistent and catalytic improvement in the overall performance of the College. The IQAC is committed towards internalization and institutionalization of quality enhancement initiatives in higher education. It helps the institution in planning and monitoring. IQAC also gives stakeholders including Students, Teachers, Alumni, funding agencies and Community, a cross-sectional participation in the institution's quality enhancement activities.

QUALITY INITIATIVES OF IQAC

- Student Induction Programme
- Faculty Development Programme
- Faculty Orientation/Refresher Programme:
- Curriculum development
- Introduction of New courses

R. Geetha

Principal
