II SUMMARY OF UGC REGULATIONS ON CURBING THE MENACE OF RAGGING IN HIGHER EDUCATIONAL INSTITUTIONS, 2009

*National Anti Ragging helpline [UGC CRISIS HOTLINE] 24*7 Toll free No * 1800-180-5522*

In light of the directives from the Honourable Supreme Court and the commitment of the Central Government and the University Grants Commission to eradicate ragging, the objective is to completely eliminate all forms of ragging from universities and higher educational institutions across the nation. This entails prohibiting, preventing, and penalizing any acts of ragging as outlined in these regulations and existing laws. Ragging encompasses various behaviours such as teasing, bullying, causing harm, creating fear or embarrassment, disrupting academic activities, exploiting fresher students, financial extortion, physical and sexual abuse, verbal insults, and any actions that undermine the mental health and confidence of individuals.

III. GENERAL RULES AND REGULATIONS

1. Students must not leave the college premises during class hours without permission.
2. Late comers will not be allowed into classes.
3. Students are responsible for all equipment entrusted to them.
4. The Management reserves the right to modify the class timings and schedule.
5. The Principal's decision is final and binding.
6. Legal disputes are subject to the jurisdiction of courts at Chennai.
7. Wearing an Identity Card is compulsory.
8. Mobile Phone usage is restricted.
9. Ragging is strictly prohibited.

X. WOMEN ENTREPRENEURIAL DEVELOPMENT CELL

Conducts courses and exhibitions to foster entrepreneurial skills.

The Women Entrepreneurial Development Cell (ED Cell) at SDNBVC offers diverse courses such as baking, beautician, Aari work, and block printing to empower aspiring female entrepreneurs. Through hands-on training, participants learn the intricacies of each craft, honing their skills in pastry making, makeup application, embroidery, and textile printing. The ED Cell provides a supportive environment for students to showcase their creations through periodical exhibitions and networking opportunities with industry professionals. These courses not only cultivate valuable skills but also nurture the entrepreneurial spirit, empowering women to turn their passion into successful ventures.

XI. PLACEMENT CELL

Facilitates campus recruitment with reputed companies.

The Placement Cell at SDNBVC actively collaborates with students, fostering a positive mindset and equipping them with valuable resources for their professional journey. We organize various programs on job opportunities and facilitate “Campus Interviews“ with renowned companies such as Cognizant Technology Solutions, Wipro, Maveric, Aspire Systems, Ajuba Solutions Ltd., Dell, TCS, and HCL.

XII NSS/ NCC/ ROTARACT/IIC

Outreach activities and innovation initiatives for students.

Additionally, our institution boasts N.S.S. (2 UNITS), N.C.C. Air wing/Navy, and other outreach activities like ROTARACT/IIC. Upon admission to degree PROGRAMMES, students can engage in these programs based on their preferences. Moreover, our Institution Innovation Cell, sanctioned by the UGC-MHRD, fosters a culture of innovation among students, encouraging them to explore new ideas and develop entrepreneurial skills.

XIII Staff & Students are covered under a medi-claim policy.

The Apollo Shine Clinic, situated on our college campus, is a modern healthcare facility dedicated to meeting the medical needs of our students promptly and efficiently. Stuffed with skilled medical professionals and equipped with advanced equipment, it offers comprehensive healthcare services, including emergency treatment. From minor injuries to sudden illnesses, students can rely on the clinic for immediate medical attention, ensuring their well-being while on campus. Additionally, the clinic promotes preventive healthcare through regular check-ups and awareness programmes, prioritizing the health and safety of our student community.

XIV. Student Counselling Conducted periodically by specified staff members.

XV IMPORTANT NOTES

Students applying for scholarships from various government departments and educational concessions must maintain a minimum attendance of 75%. No excuses for attendance below this threshold will be considered at any point.

XVI. Hostel accommodation is offered on campus, with admissions granted on a first-come, first-served basis. Applicants seeking hostel accommodation must submit a separate application to the college, and decisions regarding admissions are final and made by the management.

XVII MOOC-SWAYAM Courses (Part-III Electives):

Advanced learners have the option to choose additional elective courses offered by MOOC-SWAYAM in Part-III, alongside departmental electives in semesters 5 & 6 of the undergraduate program.

At SDNBVC, we offer a holistic education experience designed to empower students with diverse opportunities for growth and development. Through initiatives like MOOC-SWAYAM courses and the introduction of new courses focusing on the Indian Knowledge System and soft skill components, we aim to cultivate well-rounded individuals equipped with the knowledge and skills needed for success in today's dynamic world. Our collaborations with corporate specialists and EDU-tech companies ensure practical training and exposure to real-world scenarios, enhancing students' employability. Additionally, our adherence to the National Credit Framework ensures that every learning experience is duly recognized and accredited.

Join us at SDNBVC for a transformative educational journey where every opportunity leads to a brighter future.
