

PARIKSHA PE CHARCHA 2025

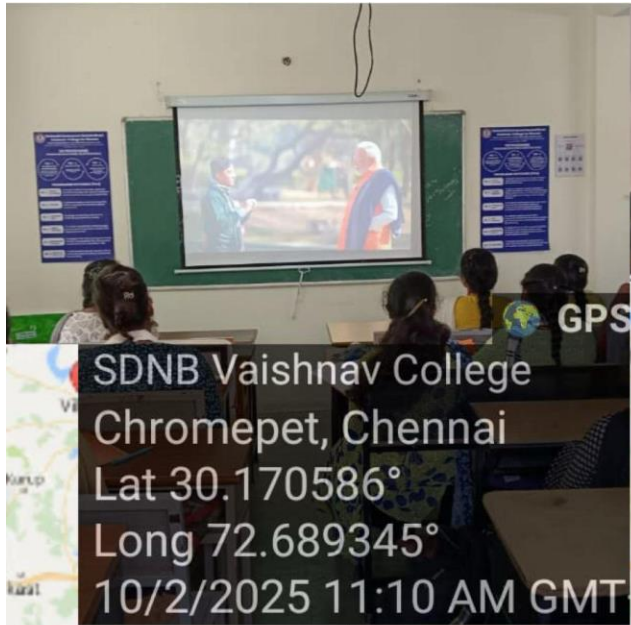

REPORT

The event Pariksha Pe Charcha 2025, an interactive session led by the Honorable Prime Minister Shri Narendra Modi, was successfully broadcasted on 10th February 2025. The session was made available through various platforms, including Doordarshan channels, All India Radio, and online streaming services such as YouTube and MyGov.in. The event aimed to provide students with valuable insights, motivation, and stress-management techniques to help them navigate their academic journey effectively.

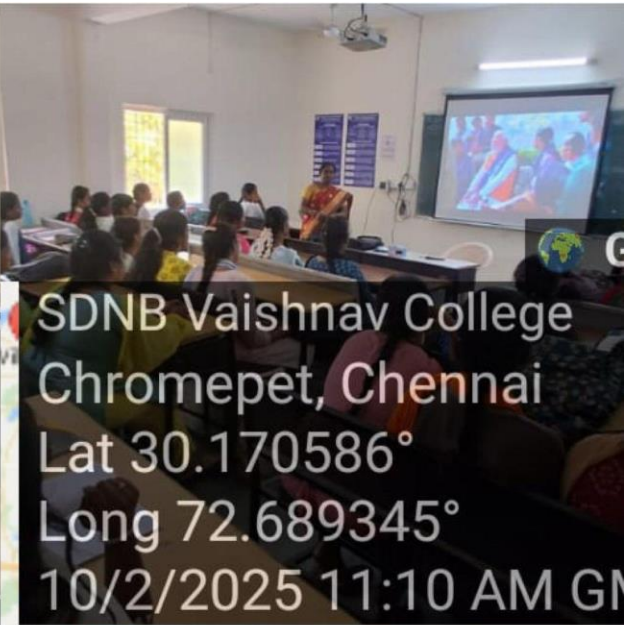

Our college actively participated in this online session by making the necessary arrangements for students to watch the live telecast. A large number of students joined the session with great enthusiasm, finding the discussion highly engaging and beneficial. The session provided them with practical strategies to handle academic pressure and reinforced the importance of a balanced approach to studies and extracurricular activities.

During the session, students gained insights into various topics, including exam preparation strategies, time management, and stress management techniques. The Prime Minister shared inspiring anecdotes and practical advice, encouraging students to develop a positive mindset and a disciplined approach towards their studies. The interactive nature of the session allowed our students to connect with the discussion and gain valuable perspectives on tackling academic challenges effectively.
