The recent Pongal celebration at the college was a vibrant and joyful event, marked by departmental competitions and cultural showcases. Students from various streams prepared Pongal and demonstrated their talents through dance and music. The event was organized for the Aided, Shift 1, and Shift 2 streams, with judges evaluating both the culinary creations and performances. The festive atmosphere was filled with excitement and anticipation as the results were awaited.

After careful consideration by the judges, the winners were announced. In the Aided stream, the Statistics Department emerged victorious, securing the first prize, followed by the Chemistry Department in second place. In Shift 1, the Department of Home Science clinched the top position, while the Information Systems Management (ISM) department took the second prize. In Shift 2, The Department of Psychology won the 1st place and the Department of Computer Science secured the 2nd prize. The celebration was a wonderful opportunity for students to showcase their skills and foster a sense of community and competition.
