YOUTH LEAD SUMMIT 2025

INSPIRE. EMPOWER. LEAD

Youth Lead Summit is a vibrant platform designed to inspire, empower and engage the next generation of leaders. It brings together young minds from diverse backgrounds to collaborate exchange ideas and address pressing global challenges. The summit provides participants with opportunities to develop leadership skills, foster innovation and engage in meaningful discussions that contribute to personal growth and collective progress. Through interactive sessions, dynamic debates and collaborative activities, the event encourages youth to take charge of shaping better future.

MOTTO

A platform to empower students on various socio-economic topics which brings in an effective communication skill and corporate decorum, to deliver well equipped graduates.

YOUTH LEAD SUMMIT 2025

The Youth Lead Summit 2025 launches its inaugural edition as a platform for empowering young leaders to drive changes and create more sustainable future. With the theme of “Sustainable Future” , the summit aims to inspire meaningful discussion and innovative solutions that address some of the most pressing challenges facing our world today.

The event features diverse committees, including Industry, Innovation and Infrastructure and Sustainable Cities and Communities, along with the Summit Press Bureau to document and amplify the summit’s impact.

By fostering collaboration, leadership and innovative thinking, the Youth Lead Summit 2025 seeks to equip the next generation with the tools and vision needed to lead the way towards a sustainable and inclusive tomorrow.

OUTCOME OF THE YOUTH LEAD SUMMIT 2025

Youth Lead Summit 2025 purpose was to discuss the SDGs for better sustainable future. The summit focused on Industry, Innovation and Infrastructure and Sustainable Cities and Committees. The press bureau helped delegates to develop their lateral and reasoning skills. The Summit emphasized the importance of collaboration of diverse disciplines among youth. It also aimed to scale up innovative solutions to address global pressing challenges. The summit highlighted the critical role of youth in leading the infrastructure of cities and committees, digital transformation and sustainable technology. The summit focused on to empower youth to explore innovative ideas, build impactful projects so as to promote dialogue with the stakeholders.

Report on YLS

The Internal Quality Assurance Cell (IQAC) of SDNB Vaishnav College, Chrompet organized the Youth Lead Summit 2025 (YLS) on 22nd February. The summit aimed to inspire and empower young women delegates, providing a platform for discussion, debate, and networking. The summit was inaugurated by Chief Guest Mr. V.Baskar, Director-Sales, Haier Applications India Pvt Ltd., and his inspiring address encouraged the audience to explore their true potential with confidence and zeal. A total of 80 women delegates participated in three committees: Industry, Innovation, and Infrastructure, Sustainable Cities and Communities, and the Press Bureau. Principal Dr. K. Kanthimathi and IQAC Coordinator Dr. Vijayasree emphasized the importance of sustainable goals and congratulated the YLS team on the initiative. Committee moderators effectively conducted sessions, facilitating meaningful discussions and debates. The Youth Lead Summit 2025 was a resounding success and the College look forward to continuing this initiative annually. The two best presenters of each committee were awarded; the Director Dr.Vijaya and the Vice Principal Dr.Renu Agarwal were also present.
