Introduction:

A seminar was conducted by Institution's Innovation Council(IIC) on 21st August 2023 from 1pm to 2pm. Educating the students about starting up was the purpose of this Program. The Speaker of this session is Mr. Daniel Prabhakaran, Head of Incubator, Sathyabama Innovation Council.

Objective:

As part of this session, Mr. Daniel Prabhakaran Sir taught students about startups types of entities, through which an entrepreneur can set up own business. In addition, he taught students about the different funding options offered by the government to students from diverse backgrounds.

In his lecture, he explained briefly, how to create a business plan to students by showing examples of business plans.

Beneficiary outcome:

Students learned about the importance of registering their start-ups. He also shared few information abouts grants provided for prototypes of the business's products.

He also shared some information with students about some useful jobs such as Patent agent, trademark agent for both arts and science background students.

This was a informative session, where young and emerging entrepreneurs of our college learnt many things about funding and grants.
