Objective:

Today we had a patriotism filled Independence Day celebration by depicting our rich heritage through patriotic songs in few languages. Our students indulged in various cultural activities, by exhibiting India's culture and ethnicity. NCC students of our college did a grand parade on the campus. Our beloved principal Dr. Radha succeeded the function as chief guest, followed by senior vice principal, union office bearers, faculties and fellow students. The whole function was based on India's development towards sustainable growth and building of budding entrepreneurs.

Mam started her speech by delivering a heartfelt gratitude to our freedom fighters and armed forces. Mam also spoke about the role of youth as the driving force behind India's development and highlighted the achievements of our IIC council and its events such as Ideathon and Hackathon. She urged the students to become responsible citizens and to engage in community services.

Beneficial outcome:

IIC council has inspired the budding entrepreneurs and supported them by nurturing their ideas. VCIID conducts stalls on every month third study in order to promote the growing entrepreneur students. In collaboration with RGNIOD skill development programme 128 students got equipped in making jute products. Thus, The IIC of SNBVC has been continuously striving on to bring together young leaders and their innovation to promote ideas of entrepreneurship among the student's fraternity.
