

**Shrimathi Devkunvar Nanalal Bhatt Vaishnav
College for Women (Autonomous)**

Owned and Managed by Cork Industries Charities Trust

Affiliated to University of Madras, Re-Accredited with 'A+' Grade by NAAC
Chromepet, Chennai-600044.

Revolutionizing Tomorrow: AI-Driven Transformation

**National
INDUSTRY-ACADEMIA CONCLAVE
2026**

**11th & 12th March
2026**

ABOUT THE COLLEGE

Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women, established in 1968 with the generous donation of 10 acres of land by our Late Founder and Chairman Shri Nanalal Bhatt and ₹6 lakhs from Cork Industries Charities Trust, is named in honor of Smt. Devkunvar. As the first women's college in the then Kancheepuram district, Tamil Nadu, it is affiliated with the University of Madras since its inception and attained autonomous status in 2006. Re-accredited with an A+ grade in the fourth cycle by NAAC and listed under the National Institutional Ranking Framework (NIRF), the college currently has 6,412 students and 337 faculty members.

It offers 10 UG programs in the aided stream, 23 UG and 15 PG programs in the self supporting stream, with 10 departments recognized as research centers. The college offers a conducive academic environment with excellent infrastructure, industry oriented curriculum, value added skill development courses, strong industry collaborations and very good placements. The college places strong emphasis on holistic development and is supported by a vibrant alumni network, with many distinguished members excelling in academia, public service and industry. Over the years, the college has witnessed impressive multidirectional growth, providing women students with opportunities to excel in academics, research and extension activities.

ABOUT THE CONCLAVE

The National Industry–Academia Conclave 2026, themed “Revolutionizing Tomorrow: AI-Driven Transformation,” is a two-day national forum designed to explore the profound impact of Artificial Intelligence across industries, education and society. This conclave brings together industry leaders, academicians, researchers, educators and students to foster collaboration, knowledge exchange and innovation. Through keynote addresses, plenary talks, panel discussions, paper presentation, hands-on sessions and students interactive sessions, the event highlights emerging AI technologies such as large language models, agent-based intelligence and data-driven systems that are redefining productivity, sustainability and decision-making.

Special focus is given to AI literacy, future-ready skills, ethical and responsible AI practices and the role of AI in transforming education and societal well-being. The conclave aims to foster stronger collaboration between industry and academia while empowering learners and educators to actively participate in building a smarter, inclusive and AI-enabled future.

OBJECTIVES

- To highlight the transformative impact of Artificial Intelligence across industries, education and society.
- To strengthen industry-academia collaboration for innovation, skill development and knowledge exchange.
- To promote AI literacy, future-ready skills and ethical AI practices among educators and learners.
- To explore AI technologies and their real-world applications across key sectors.
- To provide a platform for scholarly research and pedagogical innovation through the Conference on AI in Education.
- To empower educators with hands-on training through practical workshops on AI tools and platforms
- To facilitate student discussions that encourage creativity, critical thinking and leadership quality

KEY HIGHLIGHTS

- Keynote Address
- Plenary Talks
- Panel Discussions
- Workshop
- Paper Presentations
- Students Discussion

DAY 1 – 11 MARCH 2026

Inaugural Address

Industries of Tomorrow AI as the Catalyst for Revolutionary Change

Keynote Address

Harnessing AI for a Smarter Future

Panel Discussion

- AI Literacy for Next-Gen Learners
- Agent-Based Machine Intelligence for Industry Transformation.

Plenary Talk

- The LLM Era : Driving change across domains
- Redefining FinTech with Data-Driven Intelligence.

Students Discussion

DAY 2 – 12 MARCH 2026

Plenary Talk

- AI-Powered Pedagogical Innovation.
- Empowering Teachers and Students in the Age of Intelligent Systems.

Workshop

AI Tools for Educators

Panel Discussion

- Societal Transformation : Bridging Technology and Society

Paper Presentations on AI in Education

Valedictory Session

SPEAKERS

Conclave will bring together eminent speakers and AI experts from premier institutions like IITs, IIMs, NITs and leading organizations.

CONFERENCE ON AI IN EDUCATION

The National Conference on "AI in Education," organized as part of a two-day Industry–Academia Conclave, foregrounds the transformative role of Artificial Intelligence in reshaping contemporary education for both educators and learners by enabling personalized learning, adaptive assessment, intelligent tutoring and data-informed academic and administrative practices. It emphasizes how AI can be strategically leveraged to enhance student learning outcomes, support diverse learning needs and foster future-ready skills such as critical thinking, digital literacy, creativity and interdisciplinary problem-solving. At the same time, the conference critically engages with the challenges involved in adopting AI in educational contexts, including issues of academic integrity, data privacy, digital divides and institutional readiness.

Central to the discussions is the need for transparency, accountability and ethical frameworks in the design and deployment of AI tools that aligns with pedagogical values and human-centric education. By promoting responsible and inclusive AI practices, the conference seeks to empower teachers and students to use AI as an enabler rather than a replacement and contribute to a sustainable, equitable and ethically grounded educational ecosystem.

AREAS OF FOCUS

1. AI-Based Adaptive Language Learning
2. AI for Multilingual and Inclusive Learning
3. Impact of Generative AI on Teaching–Learning Pedagogy
4. AI for Entrepreneurship Development
5. Intelligent Tutoring systems and Startup Ecosystems
6. AI in Teaching & Class Management
7. AI-Enhanced Digital Content
8. AR/VR/XR & Immersive Learning
9. Artificial Intelligence for Future-Ready Professionals
10. AI : Trends, Opportunities, and Academic Integration

SUBMISSION OF PAPERS

Authors (Faculty members) must submit the full paper (3,000–4,500 words) adhering to the IEEE/APA/MLA formatting guidelines. Papers should present original work, include proper citations, and follow academic integrity standards. Selected papers will be published in the International peer-reviewed journal of the institution- International Journal of Multidisciplinary Research in Arts, Science and Commerce (IJMRASC) with ISSN Number. The papers must be submitted via email to aiconference2025@gmail.com with the subject line: Paper Submission – AI in Education

WORKSHOP ON AI TOOLS FOR EDUCATORS

The hands-on training is intended to empower educators with practical knowledge and skills in using GenAI tools for teaching and academic administration. Participants will gain first-hand experience with AI-driven tools for content creation, assessment design, personalized learning, research assistance and classroom engagement. The workshop emphasizes ethical and responsible use of AI in education, enabling educators to integrate AI technologies effectively into their pedagogical practices. Through guided demonstrations and interactive activities, the session aims to enhance teaching efficiency, innovation and learner engagement in the AI-enabled academic environment. By bridging theory with practice, the workshop empowers educators with future-ready digital competencies.

YUVAZ – Youth Lead Summit 2026

YUVAZ is a student-led leadership summit, an IQAC initiative, is established as a premier youth policy and leadership forum that prepares future leaders to drive inclusive, sustainable and technology-enabled governance for India 5.0. This year the summit is organized on the theme "India 5.0 – AI for Development" as an integral segment of the National Industry Academia Conclave 2026. The summit aims to provide students with a meaningful platform to discuss current national issues and develop leadership and decision-making skills and it is scheduled to be held on **11th March 2026** as an Inter-collegiate event.

The Summit will host deliberations on

- Ethics in AI
 - AI as a Catalyst for Economic Growth
 - AI in Media Intelligence and Government Outreach
-

WHO CAN ATTEND

Academicians, Students, Industry Professionals

REGISTRATION

Events and Dates	Fees	Last Date	Registration Link
INDUSTRY- ACADEMIA CONCLAVE 11 th and 12 th March 2026	2 days – Rs. 1000	28th February 2026	https://forms.gle/QE8VssvrIQoCZMoF9
	1 day – Rs. 500		
PAPER PRESENTATION 12 th March 2026	Conclave + Paper Presentation 2 days – Rs. 1000	Submission of Full paper- 10th February 2026 Acceptance Notification- 20th February 2026 Registration - 28th February 2026	https://forms.gle/y2gfRfRCZAX8DW516
	Only Paper Presentation 1 day – Rs. 500		
YUVAZ – Youth Lead Summit 11 th March 2026	1 day – Rs.500	28th February 2026	https://forms.gle/ramfJG5MpUDjBzUg8
